

# GFB Scottish Pub

(Only Brew Pub in Old Orchard Beach)

By Ron Bouche

Upon walking into the pub don't expect to be seeing this elaborate brewery scene. What you can expect is to see a Tavern type Pub with a little bit of everything for everyone. Yea, there is a bit of Scottish there too. Pool table, Dart Boards and foosball along with a stage for bands. You can check there web site for listing of up and coming bands. Opening in March of 2013 Robert and Kelly Greenlaw have been serving up the locals and vacationers for just a little over 6 years now. Since then they have continued to add a few new things. One of those being a small brewing section which they started back in March of last year. Brewing up just 10 gallons at a time they have managed to produce some pretty good beer. Getting help from a local brewer, they have managed to not only produce enough beer for themselves but now have a guest tap in one of our favorite locations "Run of the Mill" in Saco, Maine. Plans are in the works to make the brewing part of the pub even bigger.

As you walk in you will see that there are many flags hanging from the ceiling as you can see from the pictures. After having just a couple of flags up, one Scottish of course, people started asking if they could give them a flag and if they would hang it, which of course they did. According to Robert, because of the set up of the room, after hanging several of the flags it helped with the acoustics in the room. The one 9' pool table they have has

Owners Kelly and Robert at the Entry way.

special meaning as it is over a 100 years old and comes from the Odd Fellows Fraternal Club in Kennebunk, Maine. They have four Dart Boards and host the only Dart League in the OOB area. They host tournaments every Tuesday night and just recently had their playoffs for the league. There foosball table is not quite that of a professional status, but Foosball Sports Vending has struck a deal with the GFB to put in a Tornado table and you might be seeing tournaments there sooner than you think.

So if your going to OOB this summer give them a try and if your there for more than a few days they are the only place that serves food till 1:00 AM. Oh and if your wondering what GFB stands for like I was GOOD FUCKING BEER! **TP**

Robert & Kelly, there good sides. Had some fun there guys. Plan on having more!

Drum sticks signed by different bands after they have either broken them or just decided to be on the GFB Drum Stick Wall of Fame!
