KING of PUBS

Ross Myers, tournament director from Revolution Bar & Grill in Rochester, NH is eyeing up his next shot as opponent Roger (Bandit) Gross from St. Johnsbury, VT looks on.

\$20,000.00

Yes you are reading that correctly. That's what was paid out in 15 weeks of the Winter/Spring series finals held at the famous Moose Lodge in St. Johnsbury, VT on May 20th & 21st. Actually it was a little over that. That also doesn't include over \$5000 in prizes that are given away by our wonderful sponsors that we had for that session like Pabst Blue Ribbon, Twisted Tea, Jagermeister, Dunkin Donuts, Proforma Printing and Foosball Sports Vending, LLC. Along with that, the ladies of the Lodge put on a buffet that was like the one your Meme use to make. That is something we have at each finals with NO Charge! Of that \$21,000. Over \$3,900. was paid out in the finals along with pool sticks, coolers and jackets. During the last 6 years of this series we have also given the David's House at CHAD (Children Hospital at Dartmouth) over

\$13,000. At each of the finals events the King of Pubs pool series has a representative from the David's House show up and tell us a bit about what is going on in their world, and since they have been showing up players have begun to realize they are not just playing for themselves anymore. Players continue to donate extra money at each of the finals and some that own businesses like Krampitz Tree Service who have been playing since the beginning of the series and donating significant extra. This year a newer player to the series Shawn Feaster who has played in the last 2 sessions matched the check that was given to the David's House by the KOP. He was so impressed by what he saw in his first session that he told his partners at his Car Dealership in Concord, NH what he would like to do at the next session and they agreed. So the next time you look on a double elimination chart and you see the logo for the David's House and right above it, it says "Pool players Supporting..." you'll know what it is all about.

Our next session of KOP will be starting on September 15th an ending on December 22nd. The finals will be held at "Pit Road Lounge" in Concord, NH on January 13th & 14th. Remember, anyone can play anytime, this is not a league. We invite you to check us out on our website or on Facebook. Or just simply email us that you are interested in getting involved or getting your location involved.

The Moose lodge provided the KOP with some nice entertainment.
